<sup>1</sup> Note: Participants may report changes to the system, e.g., birth of a child, increases in income due to a new job, at any time during the year. This figure reflects the total number of participants who needed to renew their coverage by May 31, 2023. Additional participants may have had their coverage extended due to reporting of a change. Disenrollment rates also reflect participants appropriately disenrolled from coverage due to reporting a change because they are no longer eligible for Medicaid coverage.

<sup>2</sup> Maryland received special authority from the Centers for Medicare and Medicaid Services (CMS) to allow automatic renewal of coverage for Medicaid participants who are eligible for Supplemental Nutrition Assistance Program Maryland (SNAP), when their gross income as determined by SNAP is under the applicable MAGI-based income standard.
